The following itemized guidelines are for determining if your sled is Unrestored or Restored. The volunteer judging committee will have final say as to whether your machine is properly classed. Sleds in the wrong class will not be judged.

**Unrestored** class allows the following:

- Up to 25% touch up paint
- Replacement of worn parts with new old stock OEM parts
- Mechanical rebuild of drive train

**Unrestored** class does **NOT** allow the following:

- More than 25% repaint
- Reupholstered or reproduction seat covers
- Reproduction decals
- Cosmetic restoration of drive train
